

Spelling Assignment

Each time you practice your spelling words, choose one spelling activity from the list below to complete each day (*feel free to use your own ideas as well*):

- Write each word and its definition.
- Write each spelling word three times.
- Write your spelling words in alphabetical order.
- Sort your spelling words into categories based on the similarities you can find between them. *To do this, you can write them in separate lists, or write them on slips of papers/index cards and group them.*
- Count the letters in each spelling word. Write your words in order from least to most letters.
- Write a sentence using each of your spelling words.
- Take a practice test. *Ask an adult to read your words to you so you can write them without looking at the list.*
