

# Spelling Bee Task Cards

**Create a fun learning station for students who finish their tasks early or as a part of your regular rotation.**

## Teacher Directions:

1. Create a spelling bee learning station.
2. Print and cut out task cards and word cards. (Consider making two sets of word cards.)
3. Laminate the cards for durability.

## Materials and Supplies for the Spelling Bee Learning Station:

- Dry erase board and markers
- Word Cards and Task Cards
- Index cards
- Blank paper
- A variety of writing tools: markers, colored pencils, crayons, etc.

**Sort the list of words in  
the following stacks:**

**Words with one syllable**

**Words with suffixes**  
**Words with both prefixes and suffixes**  
**Words with no affixes**

**Sort the list of words in  
the following stacks:**

**Words with one vowel**  
**Words with two vowels**  
**Words with three vowels**  
**Words with four or more vowels**

**Sort the list of words in  
the following stacks:**

**Sort the list of words in  
the following stacks:**

**Words you can already spell**  
**Words you need a hint**  
**Words you need to study to know**

**Words that you can define yourself**  
**Words you've heard before**  
**Words that are brand new to you**

**Sort the list of words in  
the following stacks:**

**Sort the list of words in  
the following stacks:**

**Inside words**  
**Outside words**

**\*Be prepared to defend your choice!**

**Words that have a  
positive connotation**  
**Words that have a  
negative connotation**

## Spelling Challenge Game

With a partner, practice spelling words aloud or on dry-erase boards.

Whoever spells the most words correctly, wins!

## Spelling Challenge Game

With matching pairs of words, play concentration.

If your opponent can spell the word without looking, they can steal the pair!

## Spelling Challenge Game

## Spelling Challenge Game

Quiz a partner on the original etymology of a word.

Whoever has the most correct answers after 20 words, wins!

Whoever can create the longest sentence that makes sense, wins!

**Write the spelling words  
like this:**

**Consonants in one color  
Vowels in another color**

**Write the spelling words  
like this:**

**Create dot-to-dots out of  
ten new words.**

**Leave them for someone else  
to connect!**

**Write the spelling words  
like this:**

**Create a code for your words.  
(Example: A=1, B=2, C=3)  
Then write down the words as  
numbers. Leave for someone else  
to solve!**

**Write the spelling words  
like this:**

**Write ten words with  
your “wrong” hand.**

**Write the spelling words  
like this:**

**Write ten words in spelling  
mountains.**

**Example: avian**

a  
av  
avi  
avia  
avian

**Write the spelling words  
like this:**

**As you write ten new words,  
put a circle around vowels and  
a box around consonants.**

**Write the spelling words  
like this:**

**Write each letter of ten words in a  
different color.**

**Write the spelling words  
like this:**

**Write ten words with bubble or  
squiggly lettering.**

churlish	promulgate	moiety	patronymic
mandrill	constabulary	remonstrance	castellated
