***Be prepared to defend your choice!**

Sort the list of words in
the following stacks:

Words that have a
positive connotation
Words that have a
negative connotation

Spelling Challenge Game

With a partner, practice spelling words aloud or on dry-erase boards.

Whoever spells the most words correctly, wins!

Spelling Challenge Game

With matching pairs of words, play concentration.

If your opponent can spell the word without looking, they can steal the pair!

Spelling Challenge Game

Quiz a partner on the original etymology of a word.

Whoever has the most correct answers after 20 words, wins!

Spelling Challenge Game

Whoever can create the longest sentence that makes sense, wins!

**Write the spelling words
like this:**

**Consonants in one color
Vowels in another color**

**Write the spelling words
like this:**

**Create dot-to-dots out of
ten new words.**

**Leave them for someone else
to connect!**

**Write the spelling words
like this:**

**Create a code for your words.
(Example: A=1, B=2, C=3)
Then write down the words as
numbers. Leave for someone else
to solve!**

**Write the spelling words
like this:**

**Write ten words with
your “wrong” hand.**

**Write the spelling words
like this:**

**Write ten words in spelling
mountains.**

Example: avian

a
av
avi
avia
avian

**Write the spelling words
like this:**

**As you write ten new words,
put a circle around vowels and
a box around consonants.**

**Write the spelling words
like this:**

**Write each letter of ten words in a
different color.**

**Write the spelling words
like this:**

**Write ten words with bubble or
squiggly lettering.**
